Timberwolf Pride extends beyond the football field. It promotes the ideals of scholarship, sportsmanship and citizenship. It develops the virtues of self-discipline, concentration, leadership and sacrifice. Timberwolf Pride captures the heart of not only 140 players and coaches each week, but a community committed to support its youth.

Norman North Football Booster Club (NNFBC) is committed to help keep Timberwolf Pride and its tradition of excellence alive. With limited public funds, NNFBC is charged to raise tens of thousands of dollars each year to provide the necessary tools to compete at the highest level. Although most of the burden falls on the players and their families, we are very fortunate at the generosity and support exhibited by many local businesses, friends and alumni during our fundraising activities.

We extend our sincere thanks and gratitude to all of you.

Interest Income will be managed by the NNFBC Endowment Committee with the approval of Norman Public Schools and Norman Athletic Association. The Head Football Coach will be on the NNFBC Endowment Committee to help direct the use of the funds.

Helping build team and school spirit!

“Football gives you a sense responsibility in a transparent environment. You take on responsibilities and gain credibility for your actions and decisions. Football brings out leadership, helping people achieve a common goal, and brings the best out of people. There are many positives from football that translate into being successful in politics and business in general.”

-Jack Kemp, Chairman of USA Football

Now this is the law of the jungle-
As old and as true as the sky;
And the wolf that keep it
may prosper
But the wolf that shall
break it must die.
As the creeper that girdles
the tree trunk,
The law runneth forward and back-
And the strength of the pack is the wolf
And the strength of the wolf is the pack.
